Inclusive Recreation Program Support

Spaces have been made available in our Summer Day Camp Programs for children who require one to one or extra support. Through the intake process our recreation staff will determine the best support for your child within our programs.

Inclusion In-Take Process

Step 1: [Fill out the In-Take Form](#)

This form tells us everything we need to know about your child's needs in order to best support them and create a positive and quality experience. During this process, you will be asked to identify your preferred weeks of program.

Step 2: Registration

A Recreation Staff member will contact you to schedule your child into a program based on the information submitted on the in-take form.

Please Note:

Inclusion spots are not guaranteed – space is limited.

The Municipality will make every effort to accommodate as many requests as possible based on available resources. Applications will be reviewed on an on-going basis. Waitlists will be available if all spaces fill.

Policies

Withdrawing From Programs

The Municipality will issue a full refund to the client for the full amount of a payment received for a program (swim lessons, day camps, etc.) if notice of request to withdraw from a recreation or aquatics program is received a minimum of seven (7) days prior to the start date of the program.

A refund of 50% will be issued if request to withdraw is received within seven (7) days of the start date of the program. No refund will be issued on or after the start date of a program. The request must be made via email to recreation@easthants.ca or aquatics@easthants.ca

If a program is cancelled by the Municipality of East Hants, credit will be issued to the clients account and, if requested, the credit may be paid out by cheque. Please allow 4-5 weeks for processing.

Attendance

The Municipality of East Hants will not reschedule sessions, or issue credit, for programs or sessions which a registered participant does not attend.

Recreation Access Program

What is RecAccess?

A funding program to help reduce barriers for you and your family to participate in East Hants recreation programming.

The Funding:
