Dear 4-H Supporter,

The 2024 Halifax County Exhibition is fast approaching where 4-H Day is the highlight of the summer for our many members. On this day members from each of our clubs; Riverside, Shu-Mil, Hardwood Lands, Brookfield, 4-HRM and Musquodoboit Harbour 4-H, exhibit their projects they have worked on over the 2023-2024 year. We are requesting your support through a small donation (the approximate cost of a small plaque is \$25). Your donation will be used to support our County 4-H program and make it possible to present our 4-H members to commemorate their achievements.

If you have a preference as to which project your donation is to be directed, please include a note with your donation. We offer a variety of projects such as: Beef, Building Blocks, Cake Decorating, Crafts, Dairy, Dog Obedience, Exploring 4-H, Foods, Goat, Horse, Photography, Rabbit, Scrapbooking, Sewing, Sheep, Small Engines, The Great Outdoors, Welding and Woodworking. We will do our best to accommodate you, however, some awards are perpetual and cannot be changed.

4-H Day is Wednesday, August 14, 2024 at the Halifax County Exhibition Grounds in Middle Musquodoboit. If you are interested in presenting your trophy in person please let us know and we will provide you with the scheduling details as the date approaches.

We would appreciate a reply by July 14, 2024, to finalize our trophy list prior to exhibition. Your donation can be made payable to Halifax East Hants 4-H Council and sent to the address above.

Thank you for supporting our County 4-H program and rewarding our members as they follow the 4-H motto to "learn to do by doing."

Kind Regards,

Patti Grant, Chair – Trophy Committee
