

Councillor Michael Perry, Chairperson of the Corporate & Residential Services Committee

Regular Meeting of Council – July 24, 2024

Second Reading – Bylaw A-200, Water Supply and On-site Sewage Disposal System Upgrade Lending Program Bylaw

At the June 2024 Executive Committee meeting, Staff presented a report regarding the creation of a well and septic upgrade loan program. A copy of the report and draft bylaw were attached to the Executive Committee agenda dated June 18, 2024.

Following discussion and input from the committee, the draft bylaw was updated with a new definition for “household income” and the updated version was attached to the June 26, 2024 Regular Meeting of Council agenda.

Council gave first reading at that meeting and can now proceed with second reading.

Move that Council give second reading to Bylaw A-200, Water Supply and On-Site Sewage Disposal System Upgrade Lending Program Bylaw.

As Chair of the Committee, I so move....
