

# East Hants Fire Service Association

████████████████████ ELMSDALE, NOVA SCOTIA, B2S 1H4, CANADA

September 14, 2024

The East Hants Fire Service Association Chiefs met on Saturday September 14th. The Chiefs would like to thank Council for their investment in the fire training facility in Noel. This facility was designed to function the same as the existing facility that was built and paid for by the Elmsdale Volunteer Fire Department. These two identical facilities will enable seamless training opportunities amongst the 330 volunteers in the fire service.

The Chiefs would like to request that Council establishes a \$20,000 annual contribution to the common fire training facility reserve to support long term maintenance and improvements to both facilities. The chiefs envision that this reserve balance would not exceed \$100,000.

The Chief's thank Council for their ongoing support to the fire service.
