NS Off Highway Vehicle Infrastructure Fund
80 Walker Street, Suite 1
Truro, NS B2N 4A7

Dear OHVIF Committee

On behalf of the Municipality of East Hants, I would like to indicate Council's support of the Driftclimbers Snowmobile Club's request to redirect funds from Project# 2019-11-13-023 towards upgrading the of DAR rail line from King Road to Trenholm Road in Kennetcook. The PIDs include 45225208, 45225190, 45225182 and 45225216.

Council thanks the OHVIF Committee for considering the groups request and we value your commitment to supporting local initiatives that promote outdoor recreation. Should the funds be redirected and the appropriate agreements be put in place; the East Hants Multi-Use Trail Association would be permitted to use the funds to develop and maintain sections of the former rail line as listed in the PIDs above.

Regards,

Eleanor Roulston
Warden, Municipality of East Hants
