

NEW EMPLOYEE INTRODUCTION

January 21, 2025, Executive Committee Meeting

Hilary Carter, Tourism & Events Supervisor (Term)

Today we are welcoming Hilary Carter, who joined the Parks, Recreation and Culture team as the 12-month Tourism & Events Supervisor on December 11, 2024. Hilary has a background in marketing, community engagement and event management having worked with the ALS Society of New Brunswick & Nova Scotia. She also has led communications initiatives and has project management experience from her past roles with Mount Saint Vincent University leading development of the annual Alumni newsletter.

Andrew Hamblin, Water & Wastewater Operator

We are pleased to welcome Andrew today to our Water and Wastewater team. Andrew comes to us from Eastward Energy (formerly Heritage Gas) where he has worked for almost 13 years performing similar work; performing leak detections and working with contractors to repair, emergency response, meter inspections, general troubleshooting, and working with the public to resolve concerns.
